Dear Mr. White:

The Notice of Intent to Conduct Exploration (NOI), received by the Division on March 30, 2009, concerning the proposed Beef Hollow small mine project is complete **with the exception of the reclamation bonding requirement.** The reclamation surety is determined to be \$25,200. This was determined based on:

5-year escalation (2014)

Item	Qty	Unit Cost	Total Cost
1st Acre Disturbance	1	\$7,600.00	\$7,600.00
Add'l Acres Disturbance	4	\$4,400.00	\$17,600.00
TOTAL			\$25,200.00

Please submit the Reclamation Contract within the next 30 days. No mining related disturbance can be created until the surety is received and approved, and you have received written acceptance from this office as well as other applicable agencies. Please contact Penny Berry at (801) 538-5291 or e-mail bondcoordinator@utah.gov for assistance in completing this requirement.

Please contact myself at (801) 538-5261 or Leslie Heppler at (801) 538-5257 if you have any questions regarding this letter. In reply please refer to file number S/035/0040.
